Dear Ron Yates:

Please excuse our delay in answering your query; we are a volunteer supported organization. This is in response to your e-mail inquiry of February 12, 2010 seeking information on John Yates born ca 1764 and the father of Ether Ada Yates born in Cecil Co, MD in 1785.

In checking our vertical files for the Yates/Yeates family, I found nothing that appears to align with the information you provided. I also reviewed the following sources with no apparent connections:

Maryland Marriages 1634-1777

Maryland Licenses of Cecil County 1840-1863

Inhabitants of Cecil Co, MD 1649-1774 by H. C. Peden

Cecil Co, MD Marriage References 1674-1825 by H. C. Peden, Jr.

Maryland Deponents 1634-1799 by H. C. Peden, Jr.

Maryland Calendar of Wills 1772-1774 (Vol. 15) and 1774-1777 (Vol. 16) by

Family Line Publications, Westminster, MD 1995

The 1776 Census of Maryland shows a John Yeates, Sr., age 25 in Sugar Land Hundred, Frederick County, MD. (copy enclosed) The 1790 Census has no Yates in Cecil County.

Cecil County Maryland Accounts 1717-1776, copied and indexed from transcripts of the originals in the Hall of Records, Annapolis, has several references to Yates/Yeates (copies enclosed). It is not apparent of the relationship to your Yates, but it at least confirms the presence of Yates/Yeates in Cecil County during that period. You may want to write to the Maryland Archives, 350 Rowe Boulevard, Annapolis, MD 21401 for more specific information.

I hope that you find this helpful even though it does not answer all your questions. Good luck in your research. We appreciate donations to help us to continue this service and to cover the costs for postage and photocopying.

Sincerely,

Richard Glover

CECIL COUNTY MARSHES ACCOUNTS

1717-1776

Copied and Indexed by

Faith Stoen Darkan

from

Transcripts of the originals in the

Hall of Records, Annapolis

made by

Mrs. Annie (Walker) Adams

Washington

1949

In these Accounts will be found approximate death dates, family relationships, and re-marriages, those definitely indicated being being underscored.

No claim for accuracy in this compilation is made by Mrs. Daskas, it being at least three copyings removed from the originals, many of which are exceedingly hard to decipher. In case of doubt, the Annapolis records should be consulted.

A resident of Cecil familiar with the old names would have made a better index, however, this one will give some idea of who lived in the county during the years 1717-1776.

Exchange of family data is requested on the following lines:
Clark, Crouch, Carrier, George, Hyland, Johnson, Mauldin, Nash, and Siphers.
